The most common act of Religion we experience is the Mass—and so it should be. We all have to eat to live. The food we share in the Eucharist is as important to us as the breakfasts and dinners we enjoy at home. Life-giving, it is this sharing within the Family of God that strengthens who we are, and continues to proclaim to us the salvation of God. The time spent in this study hopefully will help us to know and appreciate our time spent around the Table of the Lord.

# What's Happening in the Family Faith Formation Program?

Over 60 people (children and adults) gather twice a month to grow in their faith and in their knowledge of God and the church.

## HOW HAS OUR YEAR GONE SO FAR?

- Adults took the Religion Assessment for 8th grade. That led to many questions.
- Adults participated in a session on “The Counter-cultural Gospel”.
- Fr. Dan Lasecki inspired everyone to pray in their homes with their children.
- Everyone made beautiful Advent wreaths with natural materials.
- Everyone learned about the Infancy Narratives through the teaching of Fr. Dan Lasecki.
- After sharing our Images of Jesus, everyone went caroling at the Nursing Home.
- We celebrated Epiphany with the 3 Kings followed by an Intergenerational Game, “What do Catholics Believe?” The winners were....everyone!
- A DVD presentation led everyone in “A Walk through the Mass”. Mary McGuire, sacristan, taught us about vestments, vessels and procedures that show respect for Jesus in the Bread and Wine.

## WHO HELPS TO MAKE THIS ALL HAPPEN?
